Dear Parents,

On behalf of the school management committee, I would like to draw your attention on the most important issue i.e. the “**Parent Teacher Meeting**”. It was observed that you had not attended the last **PTM** held on **12/10/2019**. We would like to draw your attention that attending the Parent Teacher Meeting is compulsory and important because of the following reasons -

- i. You can interact with the teacher at right platform.
- ii. You can evaluate the progress of your ward and suitable discussion can be done on that day.
- iii. You can evaluate the worksheets, answer sheets, drawing and colour paper, Class test performance etc.
- iv. You can give your feedback and suggestions regarding the development of your ward and school.

Once again, It is a humble request to attend all future PTM.

“We are equal partner in development of you ward” so your continuous involvement is necessary.

With Regards

Vice-Principal
